“ Our dad was a special man and everyone who knew him knew that. Big hearted and great person to be around. He loved his kids, grandchildren. His life revolved around his family and friends. I'm going to cherish all the time and memories I had with him. My father was #one in my eyes and my backbone in my life. Dad I will never forget the conversations we had everyday or cook outs or family events we had. I will never forget the time we went to valleyfair and my brother Joey told dad going on the blue roller coaster and said dad it don't go upside down. The look on his face after going on it and going upside down. Dad says never again lol. My dad always was taking us swimming, to picnics, family cookouts or gatherings, skating, going to the parks or on walks or just visiting and having conversations with him. He was always doing something and keeping us busy. I love you dad and I don't know what I'm going to do without you. I know you will live in our hearts but it's not the same. I am thankful for every moment me and my kids had with my dad Joseph Roland Svoboda and the person you made me. Proud of the father I have, amazing grandpa to his grandchildren and #1 in my eyes always and forever❤️

“ I remember Joe teasing me how to play Texas hold'em when I was only 9 or 10 years old and working on cars ❤️❤️ I really enjoyed that. I know he'll keep an eye on his family and friends in the afterlife. ❤️
