“ I worked with Jo while she was at the Minnesota Funeral Directors Association. She was vibrant, kind, insightful, and caring. She will be missed! My sympathy to the Corbin family.

“ When I first moved here about 14 years ago, I inherited Jo as an employee. I had no idea how I would supervise a 75-year-old, sharp-as-a-tack, and ever-prescient employee, but we quickly became good friends and have stayed good friends. Jo was observant, quick-witted, and extremely fair, but she was no fool and could spot a phony a mile away. She was always gracious and never lost her positive outlook on life. Jo was always an inspiration to me, whose support and friendship I will always cherish. The world was such a better place with Jo in it. And while I know she hated being sick and that she's now without pain and with her beloved Cal, I will miss her terribly.

“ Jo was one of the nicest ladies I'd ever had the pleasure to know in my lifetime. Since I was a little kid, I can always remember my Mom and Dad referring to her as "Ballerina." She loved to go dancing with my Mom and Dad. I loved her house on Melrose Lane. It had the coolest basement and was fun to go there and play pool and see the old jukebox. You were a wonderful person to know. I'm sure you're dancing with my Dad now. God Bless You, Jo Corbin and thanks for being so nice to me. I'll always remember you with good thoughts.
