“ I got a call from Jeannie yesterday, just wanted to let you all know you are in my thoughts. I called my parents (Jim & Cindy) with the unfortunate news. They just left on Tuesday of this week and are already down in FL working their way to Las Vegas for the winter. Looking at her picture today, I could hear her laugh ringing in my ears. My Grandpa Louie always spoke highly of her and had great stories of their childhood memories. I regret we won't be there for the service but please know you will all be in my thoughts. I know my Grandpa will be waiting at those Pearly Gates for Jo and will be so happy to see her again. With love - Jennie

“ Although it has been many years since I have seen your mother, I always remember the smile she had as we would run through her yard playing night games. A very gentle and kind soul. The neighborhood kids shared so much laughter, fun and friendship. May the peace which comes from the memories of love shared, comfort you now and in the days ahead.
With heartfelt Sympathy,
