“ *Dave, Kris & Kayla,
My heart aches for your family at the loss of Josh. We honestly just talked Saturday, about the Monster truck show that Nick, Josh, Tom and Dave went to. I pray that God puts his loving arms around you all to help hold you up through the difficult times ahead. Hugs and prayers to all of you!

“ Josh man, we all wish you were still here with us. You were a big piece of my childhood and I will forever cherish the adventures we went on or the countless hours of attempting to beat "Through the Fires and Flames" on legendary in guitar hero. Memories last forever buddy and you sure made a lot of them with many people .

Love you bro !
