“ *The first time I meet Joy was when they first moved into the neighborhood. I heard there was a girl my age that had moved in, on Lonbardy Lane down about a block from our new house. Anyway I walked on down knocked on the door and said to her mom,, my name is Debbie and I heard you have a little girl here my age,, and I'd like to see if she wants to come out and play! That was the beginning of a great friend's ship... Rest well Miss Ann Joy,,,my dad nick named her that.... I'll see you later*□
