“ What a perfectly lovely woman Joyce was. I really had a lot of laughs with her. Some at Steven's expense (those were the best.) Joyce and George were the greatest. I have them to thank for my first sip of "Blue Nun." I lift a glass to then now and say "thanks for the memories."

“ Steve, Although I never had the privilege of meeting your Mom, I can surely comprehend the pain of losing a parent. There is a most special bond between a Mom and her son; a bond of love that can never be broken. Take some comfort in knowing that you be reunited with her again someday in Heaven. Set your sights and heart above and cherish those wonderful memories of her until the time comes where you will see her again. Sending love to you during this time and praying the our Lord will ease your broken heart. Hugs XO
