“ I just received the news about Joyce and am unable to fly up for the funeral at this time. I am deeply sorry to hear of your mother's passing, she meant a lot to me. She always made me laugh, lent an ear when needed, encouraged me when I was down, and always found an animal for me to rescue (still have Raven and Jasper).

We had many good times together and she was so proud of her family. Joyce always talked about her family and had a soft spot for the children who needed her and a loving heart to her many descendants. She was one of a kind, and God needed a special person to help take care of his children and he chose Joyce.

My family will miss you Joyce, and I have thought a lot of you lately, must of been telling me something (wink)... you are embedded in my heart and give Sam a big hug (I miss him too).

Loves yah,

Shirley, Sharee' and Lee, Shelly, Don, Jasper and Raven
