“ *I thought reading my sister's obituary would make it seem more real to me but I still have a hard time believing Joyce has passed away. Brian & Lauren, Karen & Mark, Rachel, and Nicole take comfort in the fact that you all did whatever you could to make her life more enjoyable. She loved talking about all of you and you could tell she was very proud of you all. She will be missed by many of us.*

“ Joyce was always upbeat and outgoing when the Smetanas would come to Northfield. She told great stories with enthusiasm, and was so proud of her Granddaughters Rachel and Nicole. She always made sure to have an Easter gift for Olivia, too. She will be missed.
