“ *I never got the pleasure of meeting my sister's mother-in-law but I have been told how sweet she was and always thinking of other people.
My heart, thoughts and prayers are with you all at this time of loss.*

“ *I am deeply saddened by the passing away of my Aunt Joyce. She was such a kind person. I do remember when I was young and sometimes staying at her house I always felt so welcomed, just like home. As I grew older and became a adult I always enjoyed her company. The many breakfasts and lunches we had together with her husband Don will always be treasured. She always found time for my mother (sister)and I know that comforted my mom as it did for me. I will miss her. My family and I send our prayers. I do know that she is in a good place with God because of the person she was. God Bless you Aunt Joyce and God Bless your family.
