“ Whenever we have visited my in-laws in St Anthony over the years and happened to be there on a Monday, I would always accompany my mother-in-law Irene Durtsche to the lady’s Monday lunch group. It was such a nice group of women, who thoroughly enjoyed getting together and had met for lunch for so many years until COVID put a stop to it. I really enjoyed getting to know all the ladies in the group and Joyce was of course one of them. My mother-in-law Irene Durtsche and I send our deepest sympathies and condolences with love and God’s blessing.

“ I just want to express my love and support for my cousins and their families during this time. Aunt Joyce was a beautiful woman, with an engaging smile, and kind gentle spirit. I always admired how she graciously hosted many Milliren special events for her in-laws and sharing holiday meals was an important part of my childhood. Before COVID I had the privilege of having lunch with Aunt Joyce and my cousins, no one would ever have guessed she was in her 90's she was just one of the "girls" chatting away at lunch. That will be a special memory I hold close to my heart. Linda, Nancy, and Diane, thank you for giving me the opportunity to spend some time with her yesterday I appreciate that more than you can imagine. Love, Pam and Fred
