“ Dear Barbara, Mary, and Jayne,

*Joyce was so sweet..I would have loved her even if she wasn't my cousin and godmother. It's difficult to lose a mother, no matter what your age. My condolences to you all.*

“ Barbara, Mary Kay and Jayne,

*Your Mom and Dad were so nice to me growing up. We spent a lot of time at your home in Edina. It was a happy place to be! I remember when Jayne introduced me to Honesuckle flowers in a medow by your house... we would gather them up and I would eat them all the way home, leaving the remains on the floor of our car.*

*I remember Joyce coming to the hospital when my Mom was sick. It meant so much to our family. She was such a caring person!*

*I will always have pleasant memories of your family, the good times and the laughter our families shared!*

*My condolences to your family,*

“ Dear Barbara, Mary Kay and Jayne,  
I am so sorry for your loss as your mom as she was such a wonderful person. One of my funniest memories was when Barbara had a neighborhood birthday party for FeDe, the family poodle, inviting all of the dogs in the neighborhood, I believe while you were babysitting, serving all the dogs using your mom's fine china. That was a long time ago, back on the Mirror Lakes Dr. days. My sister Mary Ann always loved babysitting for you guys as she was mezmormized by your parents, thinking they were like "movie stars". She thought your mom was so pretty and your dad very handsome, but then when they got their corvette, that almost sent her over the edge! Again so sorry for your loss but as you grieve try and remember the happy memories you all have. You are in my thoughts and prayers,  
Fondly,  
Debbie
