Judy A. Best, 81, of Chaska, passed away peacefully on April 10, 2020.

Preceded in death by oldest son, Mark. She was an RN who, along with her later-to-be husband Mike Best, opened Methodist Hospital in 1959. She worked several years until her family grew to 4 sons. She then became a school bus driver for Eden Prairie, from which she retired after 28 years of driving.

She is survived by husband, Mike; sons, Paul (Stacey), David (Cheryl), Daniel; daughter-in-law, Lenise; and 7 grandchildren: Matthew, Nickolas, Peter, Jacob, Savannah, Emily and Gabrielle. She was a frequent attender of boy's hockey and Practices, where she showed up wearing a yellow snowmobile suit, which earned her the nickname of Tweety – after the cartoon character. The name stuck for the rest of her life. Memorial services will take place at a future date when we can gather in a church.
