“ To the family of Judy Goldfein, I just want to say that I'm sorry to hear about the passing of Judy. I've been Judy's hair stylist for may years now and she was always a delight to have in the salon. I knew that her family was a big part of her life and I was happy to say I've met most all of you. Please stop in to the Thomas Charles Salon and say hi if you are ever in the neighborhood. I would like that. I feel lucky to have known Judy and felt we shared a special bond. I'll be thinking of you all.
