“ To the family of dear Judy, who shares my name and my Savior both! She was always a joy, spoke tenderly and yet honestly. She shared her struggles and her joys and kept her eyes on Jesus. I am sorry I missed joining in the celebration of Judy's life. Sending hugs even now to each as you go on without her in your lives. Judy Westrum, friend

“ Judy and I shared so many happy memories since we met in Minneapolis in 1962, lived together, moved together to Denver and remained best friends from a distance. She endured so much but always kept that smile and happy disposition. So very sorry to hear of her passing, but now she is at peace.
