“ Hi sweetheart, 56 days have passed but I still miss you as much as the first. I long to hear your voice and see your smile. You were the greatest, not only to me but to everyone who knew you. I don't need a special day to remember you and I know that you are still with me although in a different way. I love you now and always, even 'til the twelfth of never. Just me, your

“Happy birthday, sweetheart! I miss you so very much and love you deeply. I am selfish and therefore sad to be without you in my life. We were to celebrate your birthday at Chanhassen Dinner Theater. Now we celebrate your love of God and His Son, Jesus. If it is His will, come and talk with me sometime. I am so lost without your smiles and voice in my life each day. I love you until the twelfth of never and that's a long, long time. Just me, your Jim

“ Good morning and Happy Easter, sweetheart,
It is a new beginning for each of us. You with Jesus and His Father,
and me without you as I travel the journey. I am so lost without you
to share the good and bad as we did each day. I miss your laughter
and smiles. I miss your counsel and I miss taking care of you. Now
it is time for you to care for me. Please come to me as often as you
can because I need you more now than before. I will love you until
the twelfth of never. Just me, your Jim

“ Good morning, sweetheart! I miss you so very much. I am trying to be strong without you but it is so hard. Krush wasn't very good last night. I went to Medina for us because they were one of our favorite bands to dance to. They used lots of dry ice fog so it would not have been good for you. I miss the many talks that we had each day. Please find a way to send me a smile and kiss. I need you so very, very much. Love, just me, your Jim

“ *I met Judy a little more than a year ago when she danced and shared her beautiful spirit and smile at the Sweetheart Senior Prom at the Discovery Center in Maple Plain. She brought her magic to the second prom just last February. It was so much fun! We all grieve her sudden passing.*

“ Just wanted to say that Judy will be missed by myself and many of her friends. She was a wonderful lady who had a smile that could light up a room. I met her at Medina where we shared a true passion for dance!
