Judy was the beloved wife, mother, grandmother, sister and friend that all will remember as a special individual whose light will continue to guide them. She touched the lives of many over the years, both locally and during her travels

(domestically and internationally) with Jack, family and friends. Always one to strike up a conversation with someone new, Judy was known for her optimistic, fun loving and outgoing personality that made everyone know that they were truly valued and important to her. She was passionate and enjoyed many activities including snow skiing, skating, dancing, swimming, playing cards and enjoying the outdoors by cycling and walking. Judy always believed in putting others first and volunteered for many organizations, putting these beliefs into practice by dedicating innumerable hours to these pursuits. A shining example of how we can live our lives, Judy was a role model to all that knew her and a confidant for family and friends. While she will be profoundly missed by all, her principles and legacy will live on.

A Christian celebration of Judy's life will be held on Friday, June 10, 2022 at 11 AM at St. Odilia Catholic Church, 3495 N. Victoria Street, Shoreview. Visitation will be from 10 AM until the time of the Mass. There will be a luncheon reception following the Mass.

In Lieu of flowers the family requests donations be made to the Alzheimer's Association

“ My most endearing memories of Judy were of her ability to rally and bring everyone together, be it croquet or lawn darts on a summer afternoon, game night playing the Mexican train game, cards, or one of many board games, or just having the family gather for a meal where we could share a lively discussion. Judy was always looking out for others and wanted to make sure everyone felt welcome and special. Thank-you Judy for welcoming me to your family, I will always be grateful for this and the memories I have of our times together.

“ Dear Grandma,

I love you so much and I am so thankful for all the silly moments we spent together. I will always think of you wearing those bright colored clothes. It was so much fun every time we would visit you or you would visit us. I will always remember the games we would play. You taught me something that is so important in our life: to be fair to everyone no matter what.

I hope you are resting very peacefully and I love you very much grandma.

*Love,
Sella*

“ Judy was never shy about helping. Whether it be on the playground or in the kitchen or those less fortunate or in crises. Her large smile and large heart will be missed.

“ Grandma was never afraid to talk to any nearby stranger and her outgoing personality always kept a conversation in the room. She was also very interested in adventure; many times we'd go rollerblading, ice skating, swimming, to the zoo and just a nice walk around a pond. I love dancing with grandma in the kitchen to all the best songs (Judy-Beach Boys). We'd play many games; boardgames, card games, croquet, bean bags toss, horseshoe and many more, grandma's competitiveness always made it very exciting. My favorite memory with grandma would be dancing with her and grandpa at their 50th anniversary, grandma sure knows how to have a good time.

“ Judy was a wonderful person with a big smile and a big heart. Never hesitated to help those less fortunate or those in crisis. I loved her for who she was and will miss her dearly.
