“ *Good-bye my first best friend! We were 4 years old living back-to-back across the alley from each other & what adventures we had. Never will forget the time we got stuck in the mud one early spring day in your mother's garden.*

*She had to lay planks out on the garden to rescue us! Loved your mother as much as I loved my first best friend!!!*

“ *We have lost a kind and generous soul. Judy was our classmate and dear friend while growing up in Grafton, ND, and a fellow graduate of the Grafton High School class of 1958. I am glad to say that we were able to keep in touch over the many years since that time. She will be missed by all who were lucky enough to know her.*

“ I'll dearly miss my conversations with Judy & her generously sharing, "I love you Pat" before a conversation would conclude. An occasional sip of Bailey's Irish cream at Christmas and talking with her about traveling with the family during the Summer months and a good bonfire! You're all in my prayers and I hold you close to my heart. Blessings & Love, Patrice
