“ *I will miss Judy terribly. Every since I was a little kid she was always there to give me praise, even when I didn't derserve it with my art work. I remember spending nights over at her house on 73rd in Brooklyn Park with Jean and Laura and she was always willing to go anywhere with me. She gave me my favorite quote and I follow it to this day (Always leave the party whil you are still having fun). I guess she took that advice and is spending time with her other family, George, Jean, Myrtle, Al, Georgie, Betty, Jack, Alicia, Beverly and many others.*
