

Judith Ann Mueller

June 15, 1948 - November 21, 2024

Judith Ann Mueller (Serone), age 76, of Andover, MN, died peacefully after battling Parkinson's disease for almost a decade. Judy was born on June 15, 1948 in Chicago, IL. the daughter of Herman and Dorothy (Remke) Serone. She graduated from Maine West High School in Des Plaines, IL, and later attended Bradley University attaining her teaching degree in 1970. She taught elementary school in Mundelein, IL. for a couple of years and worked as a substitute teacher in the Anoka-Hennepin School District for over twenty-five years.

Judy infected everyone around her with her kindness and welcoming nature. She would always ask people how they are doing rather than talking about herself. She put the welfare of others above herself. Her love of teaching translated to church where she would teach Sunday School and Vacation Bible School. She enjoyed reading and joined a book club with friends. After her retirement, she hosted friends at the cabin, riding in the pontoon, watching the deer, and just relaxing over a good meal talking with family and friends. Her love of sports was passed down from her father and she would always enjoy watching the local sport's team compete. Meeting her "girls" for lunches was something she always enjoyed along with quiet dinners with her husband and son. Her positive outlook on life and people will be surely missed by those who knew her. She was the best mother a son could ever ask for and the best wife a husband could ever share his life with.

Judy is survived by her husband of 54 years, Michael and son, Christopher; beloved stepmother, Antoinette Serone,; sister, Bonnie Sauve (Russ) ; brother- in- laws, Anthony Mueller (Lisa) and Mark Mueller; sister- in- laws, Sharon Mueller, Diane Craig (Steve) and Chris Gardner; step sister, Paulette Kern (Dave) and step brother, Lou Berchicci (Celeste); nephews and nieces, Haley, Nick, Haley, Laura, Nicole, Becky, Anthony, Nicholas, Daniel, Lia, Steven, Terry Lyn, McKenzie, Oliver, Westbrook, Stephanie, and Shannon. And "her girls" - Bert, Laurie, Patti, Tammie, and the late Susie Knotz.

She was preceded in death by her parents Herman and Dorothy, mother- in- law, Margaret Mueller, father- in-law, Orell Mueller and step sister, Irene Smith (Mick).

The family would like to thank the staff of Park River Estates in Coon Rapids for providing comfort, nursing care and kindness during Judy's stay there this past year.

In lieu of flowers, memorials are preferred to the Parkinson's Foundation in Judy's name.

“ I am deeply saddened for your loss and want you to know my prayers are with you both. Judy was such a lovely woman and I always valued her friendship. Our paths took different directions recently but I knew if I asked for a prayer concern she would lift it up. Kathy Donahue

“ I was so happy when Judy moved into our neighborhood because there was no other girl my age. At the age of 14 we became best friends and she became part of the neighborhood gang Gary mentioned. She organized my surprise sweet sixteen birthday party and we both fell in love with the Beatles. We loved going to the mall together except she hated having to drive her mom's Henry J car who we called Hank. She was my bridesmaid and someone who I could tell anything to. We wrote to each other when she married and moved away but sadly we lost touch when Christopher was starting school. Rest In Peace my dear sweet friend. A piece of our memories is tucked safely in my heart.

“ Mike and Chris, I can't tell you how sorry I am to learn of Judy's passing. She was a major part of our neighborhood "gang" growing up and played pinnacle regularly in her dad's garage. She was always the cheerful one. We were so happy when she married Mike as you could tell they were made for each other. Mike and Chris, our prayers are with you!

“ Mike and Chris: Sending love and prayers to you both. I have no words to share that can help with grief but I will share what I do know. She was the best there is. The best Mom, the best wife, and, for me, the best friend anyone could ask for.
We were roommates our last two years of college and dorm mates (neighbors) for the first two years. So we shared 4 years of college life. So many good times and lots of laughs. In a teeny tiny dorm room you become fast friends. I cherish all those memories. They will be always in my heart.
We never missed our annual traditional birthday telephone calls - hers on June 15 - mine on December 15. We would "yak" as she called it for at least an hour. Catching up on life. And we always picked up just where we left off - like no time had passed at all. Just like we had spoken yesterday. I missed those calls these past two years. It was hard. But she was always on my mind on those two birthdays.
I always enjoyed hearing about the books she was reading with her book club and all the fun adventures she had with her "girlies" as she called them. Also stories about Mike and Chris. She was so proud of you Chris.
So I'll say "ta ta for now" Judy. Love you. Vicki

“ Mike! Dani and I truly offer our condolences to you and your family. I've always considered you great mentor and have fond memories of getting together with you and Judy. I remember a time around the year 2000 when you and Judy came over. We played foosball in the basement and a pet hamster (who had been lost for a couple of months) ran over our feet. We laughed so hard about that incident. We will always remember Judy for her kindness. We really enjoyed getting together with the two of you back in those days. Love, Gary and Dani Parenteau
