“ I remember talking mom to Jeff Dunham show. She was enjoying herself. But at the end of the show .km became some what disappointed beecher favorite character didn't come out. Then Jeff did a monolog and suddenly pulled out mom favorite character "Achmed the Dea Terrorist". That made her night.

Mom, thank you for all the love, devotion and support you have given me. Even when I wasn't the most honorable and deserving of them. And I know there was a lot of them. Thank you for everything you having this family. You are greatly loved and will be greatly missed. I love you mom.
