“ Karl,
Jim, Karen and Family,
We are now home and were so grateful for being able to spend the day with you in celebrating Judy's life. What a beautiful service and message. The fellowship with you all was so nice. I'm sorry it had to be under those circumstances. The minister said it perfectly. Judy was a kind loving person and always saw the good in everybody. We will miss her.our love to you all. One day we will meet Judy again but for now she is with her Lord and visiting with her parents and other loved ones who welcomed her home. Love and blessings to you all. Norm and Lois

“ Karl,
My sympathy goes out to you and your family during this time of mourning. I always remembered aunt Judy as a kind, pleasant, caring person. She was an intelligent person who was always giving out a little advice about life. May God give you comfort and peace during this time of need and may your faith in the Lord give you the promise of God's gift of eternal life, that you to will join Jeffrey and Judy in heaven some day also.
