“ Judy and I are graduates from New Prague HighSchool. We have known each other since Grade School. Two or three times a year, 12 of 1970 classmates will get together in the park. Talk about old times and what is going on in each other life's at the present time. We will miss you.

Judy was a very kind and loving person. She always had a smile for everyone. She was very special to me as she welcomed me into the family without any reservations. We had fun times going on shopping trips between Thanksgiving and Christmas. She was easy to tease and always came back with an oh gee. I will miss her friendship and sisterhood. May Gob bless you.
