“mom, it finally hit me this past week. I miss you so very much. I can't call you anymore during our favorite shows on t.v. & provide comentary when watching dancing with the stars. You will never guess who won? The Green Bay Packer! Ha! I told you that you should have switched sides. You had such a good heart & were so loving, caring & understanding. I miss your silly gestures that made me laugh and your child's voice that you would use when you were lying to me over the phone. You did not deserve to die. I love you still.

“ Mom, You were the best mother a daughter could have... always finding a way for me to laugh. You would point to the night sky and say "look, the north star!" ...& it was always plane! :)
