*I recall all the wonder memories of you mom and dad. Especially their incredible sense of humor. You mom had a deep infectious laugh that filled the room. You dad's laugh had a quality all it's own. Add that to our parents sense of humor, you knew that bad jokes and good times always followed. I will miss your Mom, the last of that foursome. But they are together again and that always mean trouble ahead. Feel a hug from us.*
