“ *Sister, It's very hard to get my mind around the reality of your passing.  
You've begun your new journey. There are surely conversations we never had.  
They will have to wait until I see you again. I have solace in the fact that you  
are healing, and with loved ones who have passed before you. All that you have  
left behind will live on, never forgetting you for sure, always in our thoughts and  
prayers, until it is our turn to start our next journey.  
Love, your Brother*
