Sue and I have known Judy for almost 50 years. I can't remember a moment or conversation when she wasn't positive and up lifting. She wasn't naive but had such a positive attitude. Our lives were so enriched by hers. Had hoped she would live to 100 plus like her mother. We will miss her so much. Jim & Sue Welna Edina

“ Growing up on Minnehaha Circle, She was always a smiling and caring heart. Her home was always welcoming. Before cell phones and computers, when kids played in packs until the streets lights turned on, she was one of the mothers that always had an eye out for us. Their back yard climbing tree was epic. We were lucky to grow up where we did, when we did. She was a great lady - tons of good memories. Deepest sympathies - The Snyder family.

“ We extend our sincere condolences to the Cooperman family. We knew Judy and her late husband Rodney for over fifty years. Judy was always a caring and giving friend who was always willing to help. She was a formidable golfer and a "mean" scrabble player. We will miss being with her here in the desert.

Our thoughts and prayers to all of you at this difficult time.

“ *A kind and always positive person. Even though she lived 85 years, her life seemed short.* ”
