“ *Too many memories to share and too much sadness to express. I am so grateful I was able to say "goodbye" to my 2nd mom. Your whole family has been such a huge part of my life that words cannot begin to express my love for you guys and my feeling of loss so I will save it until we hug and cry together again. I look forward to seeing Judy some day again in heaven and know she will be smiling next week when I wear a yellow shirt in her memory!*

*Love David (and family)*
