“ To my dear Kavanagh cousins, It is with a sadden heart that we must again say good bye to another loved one. However, this loved one for me is especially hard. Your mother's stamina, love, and passion for so many was a true gift from God. She was an auntie that no other auntie could of matched. In other words one of a kind and truly my favorite. So in the coming days where you may come across some road blocks, know that I am thinking of you. Remember that your momma is with you all the way and she would want you to be strong. My love to all.

“ I am sorry to hear about the loss of your dear loved one. Please accept my condolences at this painful time. Losing a loved one is distressing and as comfort is needed from family and friends, it is my hope your family will find comfort in the words found at Revelation 21:4 where it says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." It is my hope your family will find strength to endure during the days ahead.
