“ *Judy was a kind and caring neighbor.....and a lot of fun at times. We shared many moments socially as neighbors. She was so missed when she moved away. She loved to have girl sleepovers with her niece Gretchen and my daughter Rachel.....so many treats and changes of clothes!!! What a fantastic spirit. I will miss her. I would like to send a memorial to Our Lady Of Peace cancer home in St .Paul.*

“ *In high school Judy (squeak) was one of the spunkiest, liveliest, most energetic and nicest of our Aquinas classmates. She was always smiling and getting in there to help. Her amazing cheering leaps were truly inspiring. We have all missed her these many years and now we will miss her always. God speed Squeak.*
