“ Dear Frank, Quinn and the Schmidt Family, Not sure if you remember me, but I worked with Julie at AppDev and as you know, Julie was the nicest person - always kind and thoughtful, so smart and a great sense of humor. I will always remember the fun we had at your lake cabin battle tubing. Julie made me feel so welcome in your home and she was such a good friend. Please let me know if there is ever anything I can do for you. I am so sorry for your loss. You are all in my thoughts and prayers.

“ We met Julie in October 1998 when she came with my cousin Frank to our daughter Kara's wedding in San Francisco. It was obvious that they were much in love. The following May we attended their wedding in the Twin Cities. Though living far apart, we have remained in touch with Frank and Julie's lives over the years, primarily through our Uncle Jerry Shink. Frank, our heartfelt sympathies to you and Quinn and to all the Schmidt family for the loss your beautiful young wife, mother, daughter, sister, and aunt. Julie and all of you are in our hearts and our prayers. Love, Arlene & Steve Hoffman, Fullerton, California

“Quinn, I got to know you during Art Adventure this year. I was the picture person. While I did not know your family, I got to know you a bit, enough to know you are bright, strong, interested in many things, and have a great deal of love. Please remember that there will be people all through your life who will watch over you, help you and care about you. You will get through this time, cry when you need to, laugh when you can, and remember part of your mother will always be with you.

“ To the Family of Julie -God does funny things,He seems to take the ones we love the most.But he had a reason.Julie is now with Him.She is at His right hand learning every thing that she needs to know .She is at peace at His table She is looking down sending kisses to all she knows and loves dearly,Julie has her wings she earned from Him while she spent her earthly life with all of you. She will be preparing for the time when she meets you all again.Your tears will always be with you ,you will never forget her,you will always feel that she is with you ,look up she is blowing kisses to all of you .May you all be in peace she will never feel pain again ,only Love , the Love of a wonderfull husband ,daughter,her parents and siblings and her nieces and that one little boy. I'm feeling your Love and Loss of Julie with you
