*Memories of Julio will live on with so many people that he has touched with kindness over the years.*

*For over 10 yrs. our family hosted a golf tournament raising money for Children's Hospital & Clinics in MN. Julio participated in all of those tournaments - he signed photos and baseballs for many of the children (patients) that also participated ... wow!*

*The connection with Ascension, Minneapolis and day care built a friendship between our families that is not easily found and is certainly treasured.*

*Find comfort at this difficult time.*

“ Dear Frannie and the entire Becquer family, Julio meant a great deal to me. I got to know him at the Twins Fantasy Camp, but also knew him because of his leadership at Ascension, his generosity in helping me in my parishes with baseball clinics and even a retreat. At the camp we got to know about the challenging life of a Cuban-born player in the 1950s, but also the great humility he had, and the love of the game. Even in his 80s people were amazed at his bat speed and agility. But most of all, he was so kind to me in helping in the parishes I worked in.

*i got to talk to him more often than most because I think FrStan was next to Frannie on his contact list!*

*I remember your mother, Edith, such a wonderful woman. They were both faithful, generous, loving, kind. I have been trying to attend the funeral virtually; but haven't been able to connect. Please know of my prayers and sympathy.*

“ *On behalf of the Vadman families we send our condolences to Julio's family. Julio and Edith were both part of our lives for decades and were great friends to our parents, Joseph (Bernie) and Kay Vadman. Knowing them and all of their family was an honor. May they rest in peace as they are now reunited in heaven.*
