“ I would like to share some thoughts about Grandma June, such as she is with her dear husband, Gabe now. Additionally, I admired and I am proud of her talented artistic ability, such as painting, piano, and her beautiful singing voice. I am proud to have been her granddaughter and I will love memories of her always. In Loving Memories, Karen Edwin

“ *When I think of Grandma June, I think of the way she always noticed nature and animals around her. She noticed the details and painted them. She was an awesome artist and grandma. She always let us know how much she loved being around her family and how much she loved us. I remember her making great spaghetti and tasty motza ball soup. My dad still makes that recipe which is sure to cure any cold. I miss her already and love her always.*
