“ I grew up w Paul and have MANY very fond memories of June, Jim, Michael and the Kids.

Even also June's Parents.

Great Lady, one of the Best.

I worked for June and Jim to convert their home into a full two story home inthe early 90's while they lived there through the whole ordeal. Despite some minor water damage they were very understanding and great people to work for. I still have their old kitchen cabinets in my shop so I think of them often.
