“ I live across the street from June in my family home. June was a friend of my mom (Rosemary Erickson) for almost 50 years. They shared heartbreak, compassion, joy and laughter. When I lost my mom, I found comfort in having her friend June across the street from me. I am will miss June so much. I find peace through my faith, and hope June, mom and others are happily reunited. God bless you June. I love and miss you. Candy Brown
