“ I loved dear June. I know her from our days at Kmart in Aberdeen SD. We sent each other Christmas cards for many many years. Again I loved her and so enjoyed working with her at Kmart. I was just doing Christmas cards today and thought of her. I don't think I've gotten a Christmas card from her in the last couple of years. I just thought of her and wondered if she was still alive and this is at around 1:00 am in the morning. Found her obituary and was so surprised that her funeral was December 12th. I think GOD gave me the thought to check on her especially since her funeral was the same day I thought of her. She was amazing and a very sweet and loving lady. Enjoy heaven dear June 😊
