“ I am so sorry to hear the sad news of Justin's passing. I knew him only a short while through work. The one thing I do know is he always had a fun story about his children to share.

*Rest in peace.*

“ I was fortunate to know Justin for a handful of years when he was the goaltender coach for the Irondale High School boys hockey team. His love of the game and dedication to teaching young goalies was a joy to see. He volunteered his time to host camps for goalies of all ages 7 to 18. One of those was my son Adam who eventually played on the Varsity team. Adam & Justin developed a close bond. Justin was such a wonderful & genuine person. I am thankful to have known him. He will be missed.

“ Dear Family,  
Many years ago when our family lived in shore view, our son, Matthew Volpe, was a playmate with Justin, along with Jeff Shattuck. I remember them being together at our house or going to Wilson Park. As the years passed, Matthew hung around with a group of guys including Justin but as they got older they had their own interests and when it was time to go to college, they lost touch. We just wanted to let you know we do remember Justin and what a nice boy he was and through Jeff Shattuck we heard what a nice man he was.  
We extend our deepest sympathy and prayers to all of you in this time of sorrow. May the Perpetual Light shine upon Justin and may he Rest In Peace.
