“ Not a day goes by that I do not think of you. I have a picture of you on my desk at work that reminds me to take each day one at a time and no matter how tough my day is, to get thru it. I miss you terribly and I cant wait for the day to come that we will be together again. You were an amazing part of my life and part of my happiest memories. I pray for you and your family every day and I pray your soul is finally at rest. I will forever remember your gorgeous smile, your wonderful dancing techniques, and your one of a kind soul. You touched so many lives when you were here...you really made a difference and so many people cared about you. It has been over two years now that you have been gone and I can not believe it. I want nothing more than to be able to see you again and laugh with you. You were one of the greatest people I have ever been blessed to know. You meant the world to me as a friend and I love you with all my being.

“ Well Justin it has been a year and 4 days! I still think about you ALL the time! I miss seeing that smile of yours! I miss hearing your voice! I miss cheerleading with you! Remember the time you came over to my house to work on a few cheers and how you kept mixing up the letters in the Lest Go cheer so instead of spelling Lets Go you spelled Legs To! I remember how you always told me to smile because I was a cheerleader and that is what cheerleaders do. I remember the day you saw me in the hall way and you looked at me and said with a huge smile "Jenny I'm going to get Jake" you made me so nervous for that game! So many memories it's just too bad I can't share them with you! I miss you SO much I can't wait till the day we can cheerlead together again! I love you Justin!!! GOOOOO JUSTIN!!!!

“ Hey Justin. Its me...Britt. its been one year and 2 days since you have left...I cannot believe its been this long, i still cant believe it really happened. I went into Super America tonight. Ive been in there three times since youve left. Everytime I came out crying...Thats the last place that I saw you...thats the last place i got to hug you, and the last place I got to tell you to call me that weekend so we could hang out again like old times. We had a ton of good times...i remember when I was officially introduced to Jake- at the Derby Days dance...you were the life of that little group there that night...and after that night I remember going to your house hanging out with everyone there. gosh, so many memories i keep to myself-because I want only me and you to remeber them. but just for kicks--tonight i remembered when you me ashley marty and mike went out to the lake to swim and swing on the rope swing...and i remember when we switched swimming suits. lol-that was halarious!! I remember when you me and ashley sat out in your dads truck until like 4 am...just talking about stuff-stupid stuff, you know what we all talked about! i remember going out to the shako pool just so i could see you in your swim suit so i could meet up with you guys so we could play volleyball. i remember getting pulled over on our way home from the lake that one night because we went swimming oh-and your tail light was out. that was in the little geo car. i remember visiting you at cub foods...gosh justin. i remember so many things- and i can go on forever on everything i remember about you. But i miss you justin, everyone does. i cant wait until the day comes where we can hang out again, and do everything we used to do...just like old times. but-until then, i'll be waiting...bcause someday, well be hanging out...i miss you justin, and i love you so much!!!

Love-forever and for always- Britt

“ Justin ,

Remember the time when you sent me down the snow hill and didn't tell me there was a jump so I flew off?

Remember when we played all those stupid games in your basement, like the dog game?

Remember when we used to play pool or how would would make haunted houses in your room?

Remember how we would walk to the gas station to get candy?

Remember how we would sing at the top of our lungs to savage garden?

Remember when played popcorn on my trampoline?

Remember when we went swimming at grandmas, and we dared you to go in grandpas fish tank and it was only fifty degrees?

Well today I am remembering all the times we shared while growing up together. I can't believe it has been a year and I wish it wasn't true. I wish we never would have moved so I could have seen you more than once a year. I miss you and I think about you everyday...I love you!

“ My Dearest Justin,
I wanted to be the first to wish you a Happy 20th. Birthday. Happy Birthday Just I Love You with all of my heart I miss you so very much..

Well, today on Your Birthday Dad Jaker Marty and maybe Monte and myself are going to spread some of your ashes in the places we know you loved..

You would have been proud of Jake on Dad's Birthday he did something that you certainly would have done he gave Dad a surprise poker party with the boys. Marty, Jason, Devon and Jake. If I don't mention your name its just because I couldn't remember your name sorry.

Dad seemed to like it, I even told Jaker nice job on the surprise for Dad!!!

Marty and Dad went to Turtle Lake for his birthday on Saturday night. I now you were with them spiritually.

You know Dad went to Utah with the 4 wheeler or Quads or whatever you call those toys you both have.. Well I will go for now. Could you please go visit Auntie Avis in your travels?

Justin she believes your her Angel... She needs to see you or hear your laughter, she hurts everyday that her Justin is no longer here on earth physically. She loved you as her own Justin. You and Tyler and Jake did a lot of things together as kids growing up. I seen it the other day when I was looking at some photo albums. I mentioned that to Auntie Avis and she said they certainly did!!

She mentioned something about having like a little celebration of life party every year for you either in February or your Birthday. I told her that sounds good I'll mention that to Kelley.

Well I love you, and I Remember the day I gave Birth to you and how happy you made me feel; then and through out your life. And how proud I was to be your Mother and Say yes that is My Son Justin.

I Love You a lot Justin !!!!!!!

Love you always and Forever through Eternity and my arms are

wrapped around you giving you the biggest hug ever. There isn't a day that goes by that I don't think about you Justin, your all over my apartment.. Good Night Honey I love you, Mom

“ My Dearest Son Justin,

Well honey its been 7 long months alot of things have changed for us I can say I finally moved out of that dump of a house I lived in!! I moved into an apartment and I love it. I have your graduation piture next to the Angel Grandma K (gave to all her kids) gave me; I have the Healing Tear given to us by the Tissue Donations Program along with the poem that they sent with the healing tear on my dresser next to my bed. People that get to see it Justin say its beautifull and it really is.

Justin you know I got a tatoo in memory of you its about 6-8 weeks old now but I had to do it for you, and I ended up going to the same place You, Marty, and I went to get yours. It's funny we talked about that before and I couldn't remember where the place was, so one Day O'Neal says to me Lori go to the place I go to get mine done. So one day for lunch we took a drive down to it and I started to see things that I remembered and all of a sudden I see that Taco Bell on the left and I said to O'Neal oh my god this is where I took Justin for his tatoo. They were closed for lunch so 2 days went by then I went with Rodney to get it done. I was talking to you alot because it didn't tickle like you said it did it actually hurt; the coloring in part killer, and every time I would talk to you I wouldn't feel no pain. I tell people that it was easier to give birth than to get a tatoo. Two days later I run into Devon And Brad on Hwy.13 going towards 35w. we had a stop light and I jumped out of the car to show them the tatoo,it was so cool. I have a Eagle on my thigh with your name and the years. You know it wasn't until the other day that I realized that we got it done on the same side of our bodies.

Justin I think about you and miss you very much; things seem so so different and they are I know that and It just doesn't seem right for you not to be here on this earth with all of us. Thanks for being with Auntie Avis during her boards.

Mom had her tonsils taken out boy talk about more pain. I am alot better than I was. Bowling is started and I am working again at the bowling alley; So my busy season will be starting , I will never be to busy for your brother and Justin, Jacob really needs your strength and support more than ever, please help him see things differently

and for the better please. He is very angry and misses his brother desperately.

School finally started and Jake has til Jan. and then he will be done..

*It's late and I must be getting to bed. I Love You Forever My Son,
WE ALL MISS YOU DEEPLY, ALWAYS WILL.*

LOVE YA TONS .

“ Justin,

Hey it's Zo. I am sorry it took me this long to write. I can't believe it's been 3 months since you've been gone. I miss you so much honey. You are missed by so many. Ballbuster's put a plaque up in your honor, so that everyone can know how much of an impact you made on so many people. There is a letter waiting there for you, and there it will remain. Justin, you had the most beautiful smile... A smile that lit up rooms. I wrote a poem for you and read it for my speech class, and support group. But you know that already, because you are watching over me. When I read that to the class...I began to cry. But when I did I felt a warm comforting feeling come over me. Just like how I felt when you hugged me. I miss you terribly Justin. Everyone does. I will see you again someday. Just remember when we do, you owe me that rematch game of pool.

Family,

I can never say how sorry I am for your loss. I have lost a good friend, but you have lost kin. I hope that everyone around you is helping you stay strong. We will continue to be here for all of you and your friends. You will pull through this. Time will help heal this void. Justin is always next to you all in spirit, because he loves you all so much. He will be there when you wake up in the morning, and there when you go to sleep. Whether driving or out with friends, he'll be there. He will be there right next to you Jake when you get married. And he will be waiting for each of us at the gates of the heavens when our time comes. Justin is an incredible person; selfless, hopeful, and funny, and humble. It is these and many other characteristics that his spirit and memory will live on. Justin Steven Sharp will never be forgotten.

Rest In Peace my dear Justin, know that you are loved and missed by all.

“ MY DEAREST SON,
TODAY WAS THE FIRST TIME THAT I HAVE VISITED YOUR SITE. I COULD ONLY READ A PAGE OR SO. ITS BEEN ALMOST 2 MONTHS THAT YOU HAVE BEEN GONE AND IT SEEMS LIKE FOREVER..

TOMORROW IS JAKE'S 18TH BIRTHDAY, AND I AM SURE YOU WILL BE WITH US THEN TOO LIKE YOU WERE WITH ME ON MINE. I FELT YOUR PRESENCE NEXT TO ME AND I SAID THANK YOU FOR BEING WITH ME TODAY. THAN I START TO CRY . EASTER, TOTALLY FORGOT ALL ABOUT IT, WHICH IS SAD BECAUSE WE LOVED DOING ALOT OF FUN THINGS FOR EASTER. THINGS FOR ME JUST DON'T FEEL THE SAME ANYMORE...

I KNOW YOU ALWAYS SAID THAT I WORRIED TO MUCH. I TOLD YOU EARLIER THIS YEAR THAT I DON'T KNOW WHAT I WOULD DO IF ANYTHING EVER HAPPENED TO YOU AND YOUR BROTHER I COULDN'T HANDLE IT. I HAVE LOST A BIG PART OF ME, MY SON. I ONLY HOPE THAT WHEN YOU LOOKED DOWN ON ALL OF US YOU COULD SEE THE STRENGTH AND SUPPORT THAT WAS HERE AND IS HERE NOW.

I WANTED EVERYTHING PERFECT FOR YOU AND ALL OF US THAT FINAL DAY, I ONLY WANTED THE BEST AND JUSTIN THAT IS HOW I FELT ABOUT YOU.

IT DOESN'T SURPRISE ME AT ALL, THAT EVERYONE YOU TOUCHED IN YOUR SHORT LIFE HERE ON EARTH; HOW THEY FELT AND SAID ABOUT YOU. I HAVE ALWAYS KNOWN AND SHOWED YOU HOW TO TREAT PEOPLE AND LIFE, YOU LEARND VERY WELL. AS WE ALL CAN SEE,AND EVERYONE THAT THAT KNEW YOU KNEW HOW SPECIAL YOU REALLY WERE.

I WAS SO BLESSED TO HAVE YOU, I CAN THANK GOD FOR THAT ONE.

YOU KNOW JUSTIN I CAN HONESTLY SAY THIS I COULD JUST TALK ABOUT YOU TO ANYBODY AND THEY WOULD SAY BOY YOU CAN DIFFENTLY TELL THAT YOU LOVE YOUR BOYS. I

WOULD ASK WHEN WHY DO YOU SAY THAT THEY REPLY ITS WRITTEN ALL OVER YOUR FACE AND ITS LIKE YOU JUST GLOW AND LIGHT UP AND THEY ARE VERY LUCKY TO HAVE YOU AS THERE MOM. I WAS THE LUCKY ONE. YOU HAVE BROUGHT SO MUCH HAPPINESS TO MY LIFE. AND TO HONESTLY SAY YOU AND I HAVE NEVER HAD A FIGHT GET MAD NOTHING EVER AND TO EVEN HAVE YOU CALL TO SAY THINGS OUT OF THE BLUE TO LET ME KNOW YOU KNEW HOW MUCH YOU MEANT TO ME AND THAT YOU LOVED ME. THE ONLY THING THAT HELPS ME GET THROUGH THIS IS THE LAST TIME WE TALKED AND IT WAS THE LAST TIME WE SAW EACH OTHER TILL THAT NIGHT WAS THIS.

MOM, I HAVE TO GO NOW, I SAID WELL LET ME WALK YOU OUT , SUN WAS SHINNING BEAUTIFUL DAY I LOOKED AT YOUR EYES THE YOU PUT YOUR SUN GLASSES ON, I SAID YOU KNOW JUSTIN I LOVE YOU ALOT, YOU SAID I KNOW MOM,I LOVE YOU TOO. YOU GAVE ME A GREAT BIG HUG AND SAID SEE YOU IN A COULPE OF DAYS.

WHAT A RELIEF IT WAS TO HAVE SAID THOSE WORDS WE DID TO EACH OTHER NOT KNOWING THAT WAS GOING TO BE THE LAST WORDS WE SAID TO ONE ANOTHER. ALOT OF PEOPLE ARE NOT AS LUCKY TO GET THAT CHANCE IN LIVE. AND WITH KNOWING THAT I ALWAYS MADE SURE TO TELL MY BOYS THAT ALL THE TIME AND MADE SURE THAT THEY COULD FEEL THE LOVE THAT I HAVE FOR THEM. HOW IMPORTANT IT WAS...

I LOVE YOU FOREVER AND EVER.....

WE ARE GOING TO CHUCKIE CHEESE FOR LUNCH THAT IS WERE JAKE WANTS TO GO

REMEMBER THE LAST TIME YOU AND JACOB WENT, YOU BOTH LOVED TO HAVE FUN SMILE AND LAUGH. WE HAVE SO MUCH TO BE GREATFUL FOR MY BELOVED SON.

A DAY A MINUTE NEVER GOES BY WITH OUT SOMETHING REMINDING US OF YOU.

I KNOW YOU HEAR ME AND THAT YOUR WITH ME ALWAYS.

ALL MY LOVE FOREVER.

LOVE, MOM.

“ I know how big of a loss this is...I have gone through this kind of thing before. I know how hard it can be for everyone, but if you all just stick together and be there for each other...you'll make it through. it will be very hard for some, not so hard for some, but this kind of loss is not easy to get over. Justin, myself, Marty and Tiffany have what I think are some of the best memories of Justin from way back when...oh how much fun we all had! No matter what the situation or problem...justin always had one of two things for you: 1) a solution that would more than likely work or 2) a comment or joke that would make you laugh so hard you would cry....either way you would always feel better! My heart goes out to Kelley, Jake, and Lori, God knows you will miss him more than ever. We will all miss him dearly.

She would always yell at us because of you! You would always make everyone go down the slide at once..Or how about the time at Odou's when we went swimming after Mike got done playing softball..that was hilarious you couldn't stop laughing...I remember that laugh and your smile so clearly...that's how it will always stay! Everytime I think of you I will smile because I know that is what you want me along with everybody else to do! “ Dearest Justin and Family,
I had so much fun working with you at S.A. You were always singing and smiling so brightly. I used to call you "dancing justin" and you smiled at me and said "that's me !" I just loved that about you, you were such a neat boy and you always had a way of making everyones spirits lift up. But there was no matching how high and bright yours was.. you were a wonderful, bright spirit here on earth and i know, in my heart that you have on some Golden wings to match that spirit of yours... May you soar high and free,, feeling the love from here on earth, for you, lift you up.. I just know that there is one more shinning star in the sky at night. when i look up i pray that you are at peace and happy.. always know that you are loved dearly by all and that i will miss you greatly my sweet friend "DANCING JUSTIN"

You are one of the most amazing people I have ever met. I'll never forget how we met in Italy. I remember how every time I'd see you you would always have a smile on your face, no matter what, and give the best hugs ever. You were the one who would tell me never to care what other people thought and I know that you left a piece of your uplifting spirit within everyone you knew. “ *Jusin~*

What can I say. You were always there for people when they needed you. And your smile . . . I will never forget that smile! It lit up a room the moment you walked in! From the first day of cheerleading practice you always told us to smile because we were cheerleaders and thats what cheerladers do. Now that you are gone it is even harder. Jake is working his butt off to make everyone smile. You gotta love him. My favorite quote you always said was "Cheerleaders are like angels, because they can fly to" that is so true! I will never forget you Justin! You and your family have been on my mind constently! I can't even imagine how they are feeling right now. I know it is hard for me to accept this so it has to be a million times harder for them. You and your family are in my thoughts and prayers every day. You will always have a place in my heart! “ I cant tell you how I feel because I certainly don't know. First shick swept over me, then sickness and fear, but the greatest thing I felt was my heart tearing apart.

Justin and my brother were awesome together and it showed in the pictures we have of them and the movie they did together on the road to go cheer. Justin wanted to make everyone happy.

I will miss him saying "HEY lil' Bjork!!" while giving me a snugy on the top of my head in choir. But the one thing I will miss the most is how he was the only one that made my brother feel like he had a brother to lean on.

“ Justin was a good friend he was always smiling, wether you saw him sitting at the stop light or at home there was always a grin on his face. Justin was a good friend and sometimes gave me advice. I remember one time he told treat women how you want to be treated and you'll be fine. Well so far he was right. I remember back about three months ago Kelly needed his house painted I said I'd do it if I could have their dirtbike, and he said ok so I painted. While I was painting Justin took out his four wheeler and started racing around the backyard but after he took out a bush he called it quits for the day. “ Justin was one of those kids that you never saw without him having a smile of his face. He brought energy and positivity to everything he did. I was a sophomore last year and we both played football. We had lockers right next to each other. During this period of weeks i got to know him pretty well, he was one of those locker room jokesters. He had a way of making everyone happy even when we had just lost(which happended a lot). He never came to practice without a smile on his face, his positive attitude rubbed off on everyone he came into contact with. He will be deeply missed by all he has met. We will never forget you Justin Sharp, you will always be in our hearts. I wish you the family of Justin my greastest sympathies. This came as a shock to us all. “ I didn't know you very long. In fact I probally only had a few conversations with you. But you are unforgettable. The way everyone would greet you when you came into the poolhall I knew you had to have been a fun guy, the party you might say. I dont know much about you but I do know you touched many hearts and ment something to alot of people. We will miss you and you will always be in our prays and forever in our hearts.

“ Justin will be missed greatly, he was a great kid and fun to hang out with. I can't imagine the pain your family is in right now... as it is tough for a lot of us to even think about. Your entire family is in my thoughts and prayers. God Bless You all.

“ I went to highschool with justin. He was in my GRAD class. Since there were only five kids in there we got to know eachother pretty well. He was also on the cheer team with my best friend tabitha. She is devastated by the loss of justin. His smile and constant energy will be missed by all. Especially those who knew him, even if it was just for a moment.

“ *To the Family of Justin:*

We will miss Justin's smile, and his kindness. We just saw him the other night and talked with him. I will never forget all the times him and my Justin would play, even High school he always supported Justin on and off the court, and even when they have played football for years together. Samantha loved him too. You are in our thought and prayers.

Always, Diana, Leonard, Justin and Samantha Martinez
