Kacey May Goodman

April, 7, 2006 - June, 14, 2024

Age 18 of Fridley passed away unexpectedly on Friday, June 14th 2024.

Kacey loved basketball, pow wows, music and her family and friends.

Most of all she loved spending time with her 3 sisters, her brother, and her nephew.

She will be greatly missed by them and many others.

Kacey had just begun her journey into adulthood. Graduating from Spring Lake Park High-school on June, 4, 2024 with plans to enlist in the US Army. She wanted nothing more than to be a ranger.

There are no words to describe the pain of losing her so soon.

She is preceded in death by her Grandmother, Charlene Goodman and her Aunt, Gina Goodman, who she will be laid to rest next to as she would have wanted....

She is survived by many others who loved her more than words could describe.

"The story of life is quicker than the wink of an eye, the story of love is hello and goodbye, until we meet again" - Jimi Hendrix

“ When me and her would goof off in art class in middle school. Sadly I don't have an actual photo of her because we were goofy like that. Genuinely one of the most funny people I knew even if we did fall out after middle school/covid. Rest peacefully Kacey the g. -Kaitlin W

“ I feel very blessed to have been able to spend time and get to know my great neice. We had such wonderful family time together. She talked about her hopes and dreams for the future, her love of basketball and her family. She was working very hard to graduate and her plans to join the military, hopes to be a ranger and jump out of planes. I hate heights but we had to do all of the high stuff we could find. It is so heartbreaking for her family and the people who loved her and wanted to see her accomplish everything she desired out of her life. Forever a place in my heart 💔

“Kacey was always the sweetest kid. Ready with a hug and an I Love You. Some of my favorite memories were when I called her Monkey Toes because she was a good climber. She loved that nickname until one day she simply didn't anymore and told me emphatically that she does not have Monkey Toes! I remember the time driving in the car with her and Caylin and grandma grandma and we showed them a pretty rainbow, but Kacey cried because she couldn't see it. We drove around until we got to a spot where she could finally see the rainbow and she was so happy with a big smile. And of course the time when she was handing grandma grandma something from the backseat. Of course grandma just reached back to get it and as she did she asked “what is it” to which Kacey answered “a booger.” Too late, it was already in grandma grandma's hand. We laughed with her about that one to this day. Mostly I will remember the normal days and how much Kacey loved, especially the little ones who loved her back equally. We will miss you always Kacey! Shine bright for us beautiful girl!!!

I chuckle every time I remember how Kacey called Scott 'Aunt Scott'

My Kacey May. My granddaughter. I love you so much. I wear the name proudly of "Grandma D". She gave me that name. When she was little that little girl LOVED bologna so much. We always had to have it in the fridge. She was bite holes in it and on occasion, she would stick that piece of bologna on the wall, with a slap! One day after we got a new puppy she stepped in dog poop outside. She was 2. She immediately said "I stepped in dog shit"! OMG we laughed so hard. She is special and never hesitated to show her grandma all her love. I am going to miss her so much. RIP my wonderful, caring, special granddaughter. No words can express this pain for us all.
