“ She was the light of my life in early high school. When i say my heart is broken, that’s an understatement. She made all of us feel so loved and valued and never made us feel any less than adored. Her laugh could be heard from across the hall. Seeing her smile was the most healing thing a person could see. Her hugs were like a breath of fresh air after breathing in poison for days. I miss you so much kat. I wish i had some sort of sign. I love you.

“ For some moments in life, there are no words. Some people touch our lives only briefly while others leave a lasting impression that will never be forgotten. You are one of the people that will forever leave a last impression in my life my sweet Kaitlyn. You were like a daughter to me. I am so heartbroken. Your beautiful smile, our long talks and always saying “I love you”. As the long journey of grief begins and the continued shedding of many tears, you will always be on my mind and forever in my heart. I love you Kaitlyn Rose! Forever.....

“ I had the joy of meeting Kat at the PCUSA's Triennium youth event in 2019. The conversations we shared were of great depth and substance. She asked sharp questions that cut through any pretense and offered a soft heart to comfort her friends. I'll never forget her. Attached are some photos of her at Triennium.
