“ Hello, My name is Dave Sonen. I met Karen right after she started working in the U.S. Attorneys office, and we became good friends. We often got together to eat at Matts for jucy lucys or the 5&8 club. I was transferred after about 2 years. I live in Texas now, and was thinking about Karen last night, and decided to google her name. I was shocked to learn of her passing, and decided to write a note here. I am very sorry to hear that she has passed aw ay. She was a wonderful friend, and I can only offer my sympathy to you sir. It must be very difficult to bear such a loss.

“ Karen seemed to me to be the warm, wise, soul of the US Attorneys office.
She calmly dealt with the task of guiding folks with her bright cheerful manner,
I retired there in 2005 . Over the preceding years Karen became a friend to both my wife Sharon and myself. We are saddened.

“ I met Karen only once in Naples and since then we play Wordfeud together, she as Pittmom from Minnesota and I from Holland as Flowerduet (Lakme). As if no distance in between. Everyday I will memorize Karen when playing Wordfeud with my other friends. With sympathy and love for the family.
