“ Bob,
We are so sorry for your loss. Although it's been so many years, we still remember you and Karen very well! Especially from those days at the old Polynesian Village apts and the many Kicks Soccer games at the old met stadium.

Take care - our hearts and prayers go out to you,

“ My deepest sympathy to the family, losing a loved one is always hard and this happened too quickly. I love this picture --- I can almost hear Karen's Voice! She had a laugh that made you want to laugh! We spent many hours together raising our girls --- from Sand Creek through Blaine High School and all the dance events and trips with Stage Door! Karen and Bob honored Fred and I years ago by asking us to be Godparents (along with her Aunt) for Jill; this honor gave us a special relationship with them and with her. You all have a special place in our hearts and if we can help in anyway now, please let us know. Karen will be fondly remembered and we're happy she is at peace. Pam and Fred Lyons
