“ I will dearly miss seeing Karen on her summer canoe rides, gently paddling along the shores of West Fox Lake. She often stopped by to say hi on her frequent strolls through the woods at Edgewild Resort, and those short visits were always a warm welcome to me. What a sweet and gentle soul. Her presence will be felt in Edgewild Woods long after we're all gone. We're thinking of all of you now as we share your sad loss.

“ To my Dearest Friend, Laurie....and to Patty, Marcia, and John and all of your families...

*As we go into Holy Week, we are reminded once again of the tremendous love our Lord and Savior has for us. It is through Christ, His death and His resurrection that we can find joy in knowing that through our faith, we have been given the gift of everlasting life.*

*Karen will be missed here, but how wonderful to know that that she is with the Lord, and is brand new again, and that one day you can be reunited with her!*

*I pray that the Lord will bring to each of you comfort and inner peace during this difficult time. My prayers are with you all.*

*My sincere condolences to the Huber family on the loss of dear Karen. She will always be remembered as a loyal and kind friend. We worked in the same building near Loring Park in the 1960s and because of her endearing friendship, remained in each other's lives even if was only a Christmas letter. She was full of grace and true compassion. I am so very sorry. Our prayers and thoughts are with you now. Bev Wilson and family.*
