“ Johnny and Family: I'm so very sorry for your loss. I just heard about Karen's passing Saturday evening otherwise I would have sent something for her service. I appreciated having George and Karen involved in our lives and with our boys, they both were always so good about acknowledging the birth of our boys and birthdays and Martin's kidney transplant; their love and support were always appreciated! I'm glad she is at peace and not in pain anymore. Take care! Teresa Quam
