“ My deepest condolences to Karen’s family. I met Karen at ARA in Houston and became very close friends. Although we have not seen each other in over 35 years we have kept in contact through cards, occasional phone calls and Facebook. She loved my boys and always talked about her brothers, Troy, Mark and especially Michael and how much she missed them when we both lived in Houston. We did plenty of soul searching together. I’m sorry that I couldn’t make the trip from Ohio to hug all of you in person. Cherish your memories of Karen, I always will love that girl. She made me smile when I thought there was nothing to smile about! Have a Pepsi girlfriend! oxox
