“ I just heard about Karen and regret losing touch with her the past few years. The last time I saw her I was recovering from surgery and she showed up at my house with a complete meal for my family for dinner. I'll miss her generosity and loving spirit and my thoughts and prayers go out to her family and friends. She would have given the last dollar she had to help someone and I'm so sad that I didn't get the chance to catch up with her before this happened. She played a major role in my life when I was a new Christian and I'll never forget her!
