“ To Karen's family and friends, My heartfelt sympathies go out to all of you. Karen always greeted you with a big smile whenever you saw her. She will truly be missed. Words are so inadequate at a time like this. I once read that death leaves a heartache no one can heal and love leaves a memory no one can steal. May your memories of Karen bring you comfort in the days ahead. May you also find strength in the love of family and in the warm embrace of friends. With deepest condolences, Wendy and Todd Anderson and family
