“ I remember baby sitting for Patrick, her first born son, and thinking what a awesome woman Karen was and a great mother. My deep condolences go to her children, grandchildren and great-grandson. She will be surely missed by all who had the privilege of knowing her and being loved by her. I take comfort in the belief that she is reunited with Pat, the love of her life.

“ Ryan Family,
So sad about Karen's passing. Nothing but the greatest memories of all the fun times we had together with each other and our Moms.

*Love and Blessings to you all,
Shawn McArdle - Baker*
