“ Dear Debbie, Brandt, Brad, and Deanna, I mentioned in a recent email about how your home was such a large part of my childhood. I will always remember those weekend family gatherings at your house, with your mom welcoming us all, shaking dice (your house is where I learned to play 6-5-4) and holding her own in arguments with our aunts and uncles. You have family all over this country who are thinking about you, praying for you, and sending you much love. My condolences, Craig
