“ *I will miss Kari very much. We worked together on a number of projects at BCBSMN for many years. We were a great team and dear friends. She loved her family so much. Kari had such a fun sense of humor and would often have us laughing at her antics. Watch over us my sweet friend.*

“ Kari was my dear, dear friend. We worked together in the same department for 12 years. This past year a group of us were able to get together on many occasions. Kari even hosted us at her home a couple times and supplied us with fun, food, and entertainment.

She was a very loyal friend and often told me of get-togethers she had with a group of high school friends. She told me about the fun that ensued whenever she visited her aunt in Michigan who was a centenarian. She loved her family so much and was so proud of Dillon.

She was intelligent, insightful, funny, and sometimes goofy. I miss her terribly.

“ My deepest sympathies. I was saddened to hear about the passing of such a wonderful person. I had the opportunity of working with her on and off over the years at BCBSMN on different projects. She was always great to work with because of her personality and knowledge. Kari will be missed.
