“ Dear Iverson family,  
I didn't know Karl well, but what I do know about him through his recovery journey, I found him to be a caring, deep, sensitive and intelligent young man. I know he struggled and this causes families to hurt. I am deeply sorry for your loss. Please be gentle with yourselves while you grieve. - Christi P

“ I haven't seen Karl in years, but I will always remember him building snow forts for hours along with the rest of the neighborhood kids, when we were in elementary school. My condolences go out to the Iverson family.

“ My sincere condolences to you and your family. Revelation 21:4 make this promise, it says: " And he (God) will wipe out every tear from their eyes and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." What a beautiful promise, we all look forward, from our loving Creator, (Jehovah God, Psalm 83:18). May the God of peace be with you and your family.

*Sincerely Yours,
